

Cavity Wall

Available for cavity widths from 50mm to 165mm

OUTER LEAF

102mm

INNER LEAF

100mm

L6

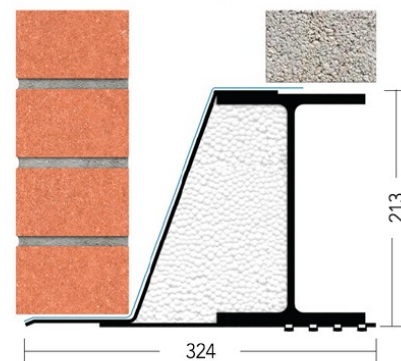

To achieve loading figures lintel must be laterally restrained. Lintels may be propped to facilitate speed of construction.

Galvanised steel flange to outer leaf.

Extreme Load

L6/130 For cavity 130-145mm

130-145mm cavity
