

Sunset Red 65mm

THE ORIGINAL
LONDON
BRICK
FORTERRA

The Sunset red London Brick combines a rich red hue with a pronounced texture offering a versatile and timeless option across various architectural styles.

The heavy texture adds depth and character to brickwork, creating a visually-engaging facade that captures attention. This texture enhances aesthetic appeal, ideal for projects aiming to achieve a traditional or period specific look.

London Brick has been used to build over five million homes primarily in London and the Home Counties – an icon of the British landscape.
